---

1. Commercial.. commerce / business vehicles not allowed a non-commercial rate.. cannot take advantage of lower rate to make a profit (yes, unfair for new/small business)(and how is this confirmed)
2. Reservations with residency, medical documentation
3. First come; first serve for reservation space (or lottery)
4. Offset Requirement- hiring multiple passengers, healthcare services, essential products for those in need if coming over with reduced price
5. Line up at International Ferry parking - like a cell-phone parking lot at airports
