

# CASCO BAY LINES ENEWSLETTER

October 2022

## Greetings!

Welcome to October! We're loving the cooler days and the changing seasons here on Casco Bay. As a reminder, our off-peak season rates and winter schedule begin on Tuesday, October 11th. We're also sharing some important operational reminders below. Thank you!

---

## Winter Rates & Schedule Begin October 11th

This is a reminder that the winter sailing schedule, and off-peak season rates, will go into effect on Tuesday, October 11th. We've also posted the 2022 Holiday Schedule with schedule modifications for Thanksgiving and Christmas. [The schedules can be found here on our website.](#)

---

## Reminder: 2022 Board of Directors Election

As a reminder, elections for three seats on the CBITD Board of Directors will take place on November 8th. The full list of candidates, and information about the election, can be found [here on our website.](#)

## Freight Handling Material on Island Wharves

As a reminder, Casco Bay Lines does pick up grocery boxes in good condition (box top and bottom are intact and put together) and standard size pallets that are in good condition from all island wharves. Casco Bay Lines *does not* pick up mismatched boxes, oversized pallets, trash, packing supplies, etc. and ask that customers dispose of these items at their island transfer facility. We appreciate your cooperation. Please reach out to the freight department with any additional questions at 207-774-7871 x116.

---

## Car Ferry Staging on Peaks Island

When departing Peaks Island with your vehicle, please remember:

## Birthdays

Llyod Jones  
October 2

Paul Pottle  
October 7

Torrin Hults  
October 31

## Anniversaries

Gary Cressey  
33 years  
10/1/1989

Paul Pottle  
6 years  
10/31/2016

Samuel Dykes  
11 years  
9/06/2011

- Welch St. (at the ferry landing) is a public street
- Park in the designated car ferry staging spaces (as indicated by signs)
- Driver must remain with vehicle
- Never leave your car unattended
- The staging line is “first come – first served”
- Vehicles must not be staged (left in line) for later trips
- Do not block driveways
- Do not double park
- The posted speed limit on Peaks Island is 20 MPH
