

CASCO BAY LINES NEWSLETTER

October 2019

Greetings!

The shorter days and cooler nights make it difficult to deny that the fall season is here. Another good indicator of the season is the school kids returning to the ferry! Inspired by their dedication to learning, we re-shared a little homework of our own over on the blog - the ABC's of Casco Bay Lines! [Check it out](#) and test your CBL knowledge. Also, don't forget that the winter schedule starts on Tuesday, October 15th, following the holiday weekend. It's hard to believe we'll be shoveling snow off the boats soon!

Schedule Analysis Project Update

Work on the multi-year Schedule Analysis Project is in the final stages. The Board considered revised alternative schedules for both Peaks Island and Down Bay at their September 2019 meeting. CBITD staff recommended implementation of revised alternative schedules for a two-year pilot. The Board chose to vote down the revised alternative schedule for Peaks Island service and postpone a vote on the revised alternative schedule for Down Bay until their October 2019 meeting. More information on the Schedule Analysis Project can be [found here on our website](#).

Thank You!
