Spring Schedule Change

This is a reminder that the "Spring B" sailing schedule will go into effect on Thursday, May 23, for regular service to Down Bay islands. [Please view our schedule for more details](#).

New Peaks Island Vessel Update

As you know, Casco Bay Lines is currently in the initial stages of design for a new vessel to service Peaks Island. An informational public meeting on the project was held on March 23, 2019, to discuss capacity for the new vessel. Representatives from Casco Bay Lines presented an update and the public had an opportunity to provide feedback and ask questions. Casco Bay Lines has taken

The Board will take up consideration and action regarding new Peaks Island vessel capacity guidance at the May 23rd Board meeting. Following a request by the Board, CBITD staff have prepared materials for their consideration in advance. [These are available on our website](#) for the public. As always, Casco Bay Lines strongly encourages public participation at all stages. Questions or feedback can be sent to PaulP@cascobaylines.com.
