Dear Caitlin,

Below you will find information on happenings at Casco Bay Lines.

Pier Work - Peaks Island

The contractor for Maine Department of Transportation continues to work on the car ferry fender system at Peaks Island. This work requires suspension of car ferry trips for short windows of time based on tide and weather. When car ferry trips are suspended, Lionel Plante Associates will be providing alternate car ferry service on its vessel. When LPA is providing service they will leave from Casco Bay Lines in Portland and from their facility on Peaks Island. The following trips will be operated by LPA:

Monday, May 21st - 9:15, 10:15 and 11:15 am

Tuesday, May 22nd - 7:45, 9:15, 10:15, 11:15, 12:15, 2:15, 3:15, 4:30 and 5:35

Wednesday, May 23rd - 11:15 am and 12:15 pm

Thursday, May 24th - 12:15 and 2:15 pm

Passenger service will continue to run as scheduled. As additional information becomes available, we will post it on our website and Facebook Page. Should you have any questions about the work, please feel free to contact either Nick Mavodones or Paul Pottle at 207-774-7871.

Public Meeting Notice - Schedule/Fleet Analysis Project

Please join Casco Bay Lines at an informational public meeting to discuss the proposed outcomes from the Schedule/Fleet Analysis Project.

Representatives of Casco Bay Lines will be present on May 23, 2018 from 3:30 PM to 5:30 PM in the main conference

room of the Ferry Terminal building located at 56 Commercial Street in Portland to present the proposed recommendations for the project, listen to concerns, receive comments and answer questions from anyone interested in the project.

For a copy of the draft presentation and schedules, please visit our [website](#).

Any inquiries regarding this project may be directed to the attention of Paul D. Pottle, Director of Projects for Casco Bay Lines at P.O. Box 4656 Portland, ME 04112 or (207) 560-6880 or e-mail: paulp@cascobaylines.com .
