Dear Caitlin,

Below you will find information on happenings at Casco Bay Lines.

Freight over July 4th

Traditionally, the week leading up to the 4th of July is the busiest weekend of the year at Casco Bay Lines. We ask that you arrive as early as possible, especially if you are shipping freight. Freight capacity is finite on all trips and for that reason, your freight may be delayed to the next scheduled trip. We will give priority to groceries, personal items and island store/restaurant items. Freight such as building supplies, furniture and appliances will be shipped based on availability and may have to wait until after the holiday. If you have any freight questions please call the freight department at 207-774-7871 x116.

July 4th Schedule

We will be running a Sunday/Holiday schedule to all islands on Wednesday, July 4th.

On Tuesday, July 3rd the car ferry to Peaks Island will operate through the 11:30 pm departure from Portland (11:55 pm departure from Peaks Island).
