

CASCO BAY LINES ENEWSLETTER

August 2019

Greetings!

What a fantastic Maine summer we're enjoying! We love seeing the terminal bustling with activity and cruisers of all ages. Before back to school season hits, [we're sharing some helpful tips in our blog for parents interested in cruising Casco Bay with their kiddos!](#) And for those 21+, we have one show left in our [2019 Cruising Casco Bay Concert Series](#). Because we like to play hard *and* work hard, we continue to move forward on the Schedule Analysis Project and held a series of productive public hearings this week to discuss proposed alternative schedules. Finally, the deadline for submitting nomination papers for the upcoming Board elections is August 19th. Best wishes for a fun-filled and sun-filled August!

Schedule Analysis Project Update

As part of the ongoing Schedule Analysis Project, proposed alternative schedules have been revised to incorporate feedback received on initial drafts and have been published [here](#). Representatives from Casco Bay Lines hosted a series of public hearings July 29th - 31st, 2019, stopping at each island to provide an opportunity for the public to ask questions and provide feedback on the revised drafts. A vote of the Board of Directors is required for final approval and is likely to occur at the September 2019 Board meeting.

A Frequently Asked Questions (FAQ) guide is available online [here](#). Public feedback may also be submitted to ScheduleProject@cascobaylines.com or Casco Bay Lines Attn: Schedule Project, P.O. Box 4656, Portland, ME, 04112-4656.

2019 Board of Directors Elections

There are three seats on the Board of Directors up for election this coming November. Nomination packets are available at the Casco Bay Lines ticket office. The seats up for election are:

- Peaks Island - 3 year seat
- Islands at Large - 3 year seat
- Cliff Island - 3 year seat

Nomination papers must be returned no later than

New Signage on Vessels

As you may have noticed, new signage is being utilized on the vessels to request that our customers use headphones when listening to audio on their devices. We understand that many now stream video and music on board to stay informed and access the latest entertainment, however, we ask all to do so discreetly and use earphones to avoid distracting others in public areas.

Thank You!
