VESSEL UPDATE

BATTERY STEELE

Sea trials were conducted last week; staff were onboard for all 3 days. Overall, it was a successful trial. Senesco still has a tonnage issue to address, as well as adding ballast to the vessel.

STAFFING

As we approach the end of the summer schedule most of our part-time seasonal staff have

departed. Full-time staff have been putting in extra hours to keep the schedule running.

Training

In the next couple of weeks crews will be getting down to Rhode Island to start vessel familiarization training on the Battery Steele.
