

## OPERATIONS UPDATE

6/18/2026

### VESSEL UPDATE

#### BATTERY STEELE

Work continues on the Battery Steele. Commissioning of systems is wrapping up, along with USCG approvals. Sea Trials are now scheduled for the week of July 6<sup>th</sup>. Delivery will follow.

#### Aucocisco

The Aucocisco experienced a generator malfunction on May 22<sup>nd</sup>. We had already purchased replacements to be changed out at the next dry dock. We went ahead and changed both units last week, USCG cleared vessel for operation on June 8<sup>th</sup>.

#### DRYDOCKS:

Drydocks have been completed for the year.
